

18 to 22 September 2019

**REC Filmfestival Berlin** - an international festival for young filmmakers  
in the ufaFabrik Viktoriastr. 10-18 12105 Berlin

A young film festival for all filmmakers and film enthusiasts who would like to see the new and unusual. The REC-Filmfestival Berlin is an international competition in two age groups:

**REC for Kids** presents the films of the 6 to 15 year-olds and

**REC internationales junges Filmfestival** shows the films of young professionals from 16 to 27 years.

Documentaries, feature films, animated films and experimental films are shown in a total of 12 film programmes, 79 films from 19 countries.

From 18 to 22 September, **REC for Kids** offers children and school classes an overview of international children's and youth films. From Wednesday to Friday there will be film programmes by and for children aged 6, 10 and 13 at 9:00 a.m. and 11:00 a.m. with a professional moderator who, together with the audience, will interview the filmmakers present and explore the background.

There will also be workshops for these age groups: With the Kids Trailer we shoot fictitious films with virtual dinosaurs, animals, elves and gnomes in the "Jurassic Park 8" and in the "Radiostudio" of the Outreach-Jugendradio the Kids are the reporters and report about the festival with reports and interviews.

**REC – internationales junges Filmfestival** shows the films of the young film professionals and film students\* aged 16 to 27 in the evening. The focus is on authentic films, courageous approaches and experimental forms, which are shown in the programmes "Unbehaglich", "Doku-Zone", "Shorts-Kaleidoskop", "Beziehungen" and "Women's Night". (More than half of the competition films were shot by young women, by the way.) Following each film programme, the expert jury will give initial feedback on each film on stage.

For the 16 to 27 year olds, we also offer workshops and lectures on the topics "Self-confident performance as a filmmaker\*in", "Directing & acting in feature films" and "Professional film production". And there will be an exchange with media workshops in the twin towns of Tempelhof-Schöneberg.

The ceremonial opening will take place on Wednesday evening at 20:15 hrs. We present the programme, the workshops and the juries and show films of all ages and competitions.

On Saturday at 2 p.m. we will show a programme for families with children aged 6 and over, followed by the grand awards ceremony, at which the expert juries will award the Golden and Silver Clips, as well as the Doku Clip from the Dokfestival Leipzig and prizes from Ziegler Film Produktion.
